CIRCULAR NO. 1/03

TO MEMBERS OF THE ASSOCIATION

Dear Member:

AMERICAN CLUB PUBLICATIONS

Please find enclosed herein a copy of the American Club's latest brochure.

It is several years since this document was last revised. The latest edition is intended to set a new standard for all Club publications going forward and, it is hoped, will meet with Members' approval.

A new Eagle Ocean Group brochure is also included. As Members will be aware, Shipowners Claims Bureau, Inc. is part of the larger Eagle Ocean Group which was established at the beginning of 2002 following the demerger of the Club's management company from Marsh, Inc.

Further copies of both documents are available, if required. Your Managers are also in the process of revising the format and contents of the Club's newsletter – to be renamed simply ***Currents*** – the first edition of which in the new design format is intended for publication soon.

Yours faithfully,
Joseph E.M. Hughes, Chairman & CEO
Shipowners Claims Bureau, Inc., Managers for
THE AMERICAN CLUB
