CIRCULAR NO. 20/15

TO MEMBERS OF THE ASSOCIATION

Dear Member:

US ECONOMIC SANCTIONS UPDATE: GUIDANCE RELATING TO THE APRIL 2, 2015 ANNOUNCEMENT OF PARAMETERS FOR A JOINT COMPREHENSIVE PLAN OF ACTION REGARDING THE ISLAMIC REPUBLIC OF IRAN'S NUCLEAR PROGRAM

Reference is made to previous Circulars in regard to recent negotiations between the P5+1 (United States, United Kingdom, Germany, France, Russia and China, coordinated by the EU High Representative) and Iran concerning the latter's nuclear program.

Members will have seen from recent news reports that, on April 2, 2015, there was an announcement of parameters for a joint comprehensive plan of action regarding the that program. The purpose of this Circular is to update Members in respect of these developments.

A recent bulletin from the US Department of the Treasury's Office of Foreign Assets Control (OFAC) in regard to the above is attached hereto. Its contents are believed to speak for themselves.

Specifically, the parameters announced on April 2, 2015 for a joint comprehensive plan of action (JCPOA) by the P5+1 and Iran do not immediately relieve, suspend or terminate any sanctions on Iran. The only sanctions relief in force is the relief provided pursuant to the Joint Plan of Action (JPOA) reached on November 24, 2013 and extended through June 30, 2015.

The parameters announced on April 2, 2015 provide a path for sanctions on Iran to be suspended and eventually terminated in exchange for IAEA verified implementation by Iran of its key nuclear commitments.

At present, and until a JCPOA is concluded, other than the sanctions relief provided under the JPOA, all US sanctions remain in place and will continue to be vigorously enforced. In this context, the sanctions relief provided under the JPOA reached on November 24, 2013 remains in effect. Please see:

Members are requested to note their records accordingly. For any questions regarding any aspect of the foregoing, and sanctions in general, Members are asked to contact Charles J. Cuccia, Senior Vice President at +1 212 847 4539 or by e-mail at charles.cuccia@american-club.com.

Yours faithfully,

Information relating to the extension of the sanctions relief provided for in the Joint Plan of Action between the P5+1 and the Islamic Republic of Iran

On November 24, 2013, the United States and its partners in the P5 + 1 (China, France, Germany, Russia, the United Kingdom, and the United States, coordinated by the European Union's High Representative) reached an initial understanding with Iran, outlined in a Joint Plan of Action (JPOA), that halts progress on Iran's nuclear program and rolls it back in key respects. In return for Iran's commitment to place meaningful limits on its nuclear program, the P5+1 committed to provide Iran with limited, targeted, and reversible sanctions relief.

In furtherance of the U.S. Government's (USG) commitments under the JPOA, the U.S. Department of State and the U.S. Department of the Treasury implemented sanctions relief relating to certain activities and associated services taking place exclusively during the six-month period beginning on January 20, 2014, and ending July 20, 2014. The following documents are key components of the implementation of the JPOA as extended.

Executive Orders, Statutes, Rules and Regulations Relating to Iran

The Iran sanctions program represents the implementation of multiple legal authorities. Some of these authorities are in the form of executive orders issued by the President. Other authorities are public laws (statutes) passed by The Congress. These authorities are further codified by OFAC in its regulations which are published the Code of Federal Regulations (CFR).
